

**Kalika Steel Alloys Pvt. Ltd**  
Manufacturers of MS billets.

30<sup>th</sup> October 2012

**TO WHOM IT MAY CONCERN**

This is to certify that **Cospower Engineering Pvt. Ltd. (earlier Cospower Corporation)** have supplied, erected, tested and commissioned 12070 KVAR, 40 KV capacitor banks operated through APFC based on the load condition at our plant.

They have provided us with the design, manufacture, erection and commissioning of this system. This was commissioned in December 2008 and has given satisfactory services till date. The system is giving us unity power factor and also the harmonic levels are within limits prescribed in IEEE:519.

We are satisfied with the product and services of this **Cospower Engineering Pvt. Ltd.**

This certificate is being issued based on their request.
