## To Whom It May Concern:

This is to certify that M/s. Cospower Engineering Pvt. Ltd., Mumbai, India designed, supplied, erected, tested and commissioned one 5<sup>th</sup>/7<sup>th</sup> Filter (3600 KVAR @ 45KV) and one 11<sup>th</sup>/13<sup>th</sup> (5400 KVAR @ 45 KV) Harmonic Filter at 33 KV level for our steel billet manufacturing plant located at Gazaria, Munshiganj.

The Harmonic Filters were commissioned in March 2017. We are satisfied with the quality of the equipment as well as service rendered by M/s. Cospower Engineering Pvt. Ltd. Since commissioning of the Filters, we are achieving power factor above 0.99 and harmonic levels are within the prescribed limit of IEEE 519.
